

FANTASTIC EUROVISION IN BAKU

What a fantastic Eurovision in Baku! Congratulations to the Swedish winner, Loreen, to the runner – up, the hip grandmas from Buranovo, Russia and to all the organizers led by our First Lady Mehriban Aliyeva. Special kudos should go to this year's Azerbaijani entry Sabina Babayeva and the last year's winners Ell and Nikki, who brought Eurovision to Azerbaijan. Baku looked just amazing. One can only imagine how much effort was put in making this a great success. By the way, the MC's Eldar, Leyla and Nargiz did very well.

Azerbaijan proved that we can both win the contest and to organize the best show in the history of Eurovision! Proud to be Azerbaijani, especially so thousands of miles away from home!
