

Celebrating diversity

It was an honor and, admittedly, quite a pleasure to be a part of the Congressional Hispanic Caucus Institute's (CHCI) Annual Gala. This celebration of the Latino culture and America's diversity had an amazing vibe and featured some exceptional moments. Moving, emotional presentations by and, even more so, personal achievements of the evening's honorees, Dr. Francisco G. Cigarroa, Dr. Juan Andrade, Jr., and the incredible Salma Hayek Pinault, brought special meaning to the event. Of course, the Mariachis and Olga Tanon made the already great evening so much more enjoyable.

Congratulations to CHCI Chair Congressman Ruben Hinojosa and everyone at the CHCI on your success! And thank you for reminding us all that true unity comes from celebrating diversity.
